

TRANSFER OF OWNERSHIP/COPYRIGHT

By signing this Copyright Transfer Form, I will be relinquishing all personal and professional rights of *final logo concept to Nektarios Kalogridis.

This signed agreement also includes the transfer of rights to any variations of the logo previously agreed and supplied as part of the initial proposal. Example of these variations could include: multiple colour versions, size and dimensional variations – landscape and portrait, reversed out versions, social media profile images, favicon etc.

You are free to resale, change, modify and adapt the finished logo design as you see fit, but you do so at your own risk.

RESTRICTIONS TO THE SIGNING OF THIS AGREEMENT

The Copyright Transfer Form does not give you the rights or permission to use/modify/alter/reproduce or borrow any of the previous ideas/concepts/sketches previously shown and presented. All original preparation materials, sketches, visuals and unused ideas previously shown and considered will remain the property of FULLSTOP.

We are free to use these unused and previous ideas for future conceptual and client work. Where a previously unused idea/design retains a similar look and style to the finished logo, I shall repurpose and style so that the end design is sufficiently different as to not cause conflict.

Unless otherwise agreed and arranged, I reserve the right to showcase the finished logo and associated designs in my portfolio and in any number of online galleries/portfolio/showcases.

Any form of legal Trademark Registering and Copyrighting of the logo remains the sole responsibility of the client named in this statement.

Sincerely,
